🏠 VIAJAYAWADA, ANDHRAPRADESH

Education

B.TECH CSE(ARTIFICIAL AND MACHINE LEARNING)

Lakireddy Bali Reddy College Of Engineering 2023-2027
CGPA: 8.23/10 (up to 5th semester, currently pursuing 6th semester)

Senior Secondary (XII) – MPC 2021-2023

Sri Chaitanya Boys College, Vijayawada
CGPA: 9.60/10

Secondary (X) – SSC 2021

S.T.B.E.M High School
CGPA: 9.90/10

Certifications

- Professional Development and Behavioural Skills – Elite
- LSRW Proficiency Certificate – Gold
- Full Stack Development in UDEMY,
- Power BI, Boot camp courses

Skills

- Languages: Java, Python, C, JS, DSA
- Frameworks/Libraries: Node.js, React.js, Express.s, HTML, CSS
- Databases: MySQL, MongoDB, PostgreSQL
- Excellent communication skills
- Additional: IoT Systems, ML Fundamentals, UI/UX

Workshops And Activities

- MEDHA Tech Fest participant; 1-week IoT Workshop at LBRCE.
- Workshops on Java Full Stack, Cybersecurity, IoT, Machine Learning, and Generative AI.

ABOUT ME

Aspiring Software Engineer with strong interest in Artificial Intelligence, Machine Learning, and Full Stack Development. Skilled in Java, Python, and problem-solving with hands-on experience in AI-based and web development projects.

PROJECTS

AI-Powered Sales Forecasting and Inventory Management [Final Year Project]

ONGOING

Built ML demand forecasting system using ARIMA, Prophet, XGBoost with inventory optimization & web visualization.

BudBot – Offline Academic AI Assistant

FEB 2026

1st Prize – LBRCE Hackathon (Safe & Ethical AI): Developed local-first academic AI with Ollama, RAG, Vector DB enabling offline exams & notes.

Cyber Detection

NOV 2025

Secured 5th place in cybersecurity competition.

Built a blockchain-based cybersecurity solution for real-time threat detection and tamper-proof logging.

INTERNSHIP EXPERIENCE

CLOUD COMPUTING Intern | CodeTech, Secunderabad(

MAY-JUL 2025

Worked on cloud infrastructure setup, monitoring, and performance optimization.

Java Intern | Placemantra

APR-MAY 2025

Developed banking system modules using Core Java and JDBC implemented authentication and transaction features

Language

English, Hindi, Marathi, Telugu
